Iona Bible Portal

[Home](#)

This Bible Portal was created to share the message of the Kingdom of God. It consists of a Custom Bible App, Resources for Evangelism, Encouragement Scriptures, a Daily Devotional, Teachings of Jesus, Promises of God, Scriptures Chosen to Praise God, Names of God and Jesus, “Design/Reflections”, and a “Universe” page.

At the top of each page is a White Banner with headings: Start, Links, Abiding, and Design. The First/Home page, under “Start” has a Video titled “Names of God”. This video was created to give a sense of

awe and splendor to God's creation.

These bible resources are meant to provide guidance, encouragement, and comfort.

The Universe page is to explore the realms of Science, Cosmology, and Origins as they may relate to the Spiritual Realm.

These resources are presented within a quiet setting of changing images of God's creation and videos that reflect the beauty and majesty of His cosmos.

Drawing on a background in physics, in the section titled:

Design.

These are science topics such as, “*Six –*

The Number of Creation”

This reveals how the Number of Creation, six, represents a sign of God’s hand in the Creation of the Universe.

The Universe concerns the laws of physics, and considers larger questions of cosmology, the structure of the universe, and the celestial harmony once described by early astronomers as the “mystical clockwork” of the heavens. Modern topics are also explored, including artificial intelligence and how systems such as ChatGPT operate, helping readers better understand the remarkable world in which we live.

The purpose of this site is to encourage faith, understanding, and thoughtful reflection on the truths revealed both in Scripture and in the Wonders of God's creation.
